

Our next AGO chapter event will be an organ crawl to Fort Pierce and Vero Beach next Monday, January 16th. Like many other chapters we have planned this on Martin Luther King day so there would be minimal conflict with school and work. Our excellent subdean, Roberta Stocksdales, has spent a lot of time and effort in setting this up and we will have the opportunity to see and try three rather significant instruments.

Our schedule will be:

10:00 - St. Andrew's Episcopal Church

210 S. Indian River Drive

Ft. Pierce

(plan on about a hour from Melbourne to the church; take the Orange Avenue Exit off I-95 and go as far as you can, then turn right and it will take you to the parking lot to the south of the church.)

11:15 - Lunch

1:00 - Trinity Episcopal Church

2365 Pine Avenue

Vero Beach

2:30 - Community Church

1901 23rd Street

Vero Beach

I hope that you will make a special effort to join us. If you need transportation please let me know immediately and I'll help you work something out. I believe that it's very important that we get together as organists and church musicians in this area. We have all come out of a very difficult period with COVID and sometimes we can share ideas that will be a great deal of help.

We plan to have lunch at an excellent seafood restaurant not far from Saint Andrew's in Fort Pierce. Will you please let me know that you're going so that we can reserve an appropriate number of tables for lunch. It'll be a "no-host" lunch so you will need to bring money or a credit card.

Again, please make a special effort to join us. I think you'll be glad you did.

Jerry
