**A ZOOM INTERVIEW
WITH
DR. SILVIYA MATEVA**

TUESDAY, APRIL 13, 2021 AT 7 PM

The inaugural 2013 Longwood Gardens International Organ Competition featured the largest cash award for an organ competition anywhere that year: the \$40,000 Pierre S. du Pont First Prize. Only 10 performers from nine different countries were selected to compete. Dr. Silviya Mateva was one of them.

How did she become a contestant? What was it like to compete? How did she prepare?

Dr. Mateva will share her experiences in a Zoom interview with Dr. Jerry Davidson, AAGO, ChM, former National Director, AGO Committee on Continuing Professional Education. A Q&A session will follow. Please join us for this first-person account of competition at the highest levels.
